CITY PROTESTS EXPRESS LINE ANNEX BY SAN JOSE

A resolution protesting the proposed annexation by the City of San Jose of lands embracing the new Dick's market site where the Southern Pacific tracks cross the San Jose-Los Gatos Road and between Pamlar and Hamilton avenues, was authorized by the Campbell City Council at a regular meeting Tuesday evening. A study of the proposed annex area at the council meeting from a legal description revealed some was on the west side of the San Jose-Los Gatos Road and south of Downing Avenue and Princess Anne Way.

Councilman John Chargin said San Jose annex of this land would be violative of both the spirit and terms proposed in January by these councils in joint session when it was mutually agreed to respect demarcation lines. Mayor Richard Morton said that it also would be an intrusion into the Campbell sphere of influence as set up by the County planning commission.

The annex, known as Maywood 2-A is set for hearing on July 18 at which time the resolution of protest from Campbell will be considered.

Fire Chief Jack Scott was authorized by Council to set up two new fire hydrants on Campbell avenue between San Tomas Aquina Road and Victor Avenue and two on West Latimer avenue where the Latimer Park Subdivision is being set up.

Because a bid from the Paul Swanson Company of Los Gatos was some $700 higher than the price charged for a previous Ford car recently purchased, the bid was rejected and Police Chief Robert Locke instructed by the Council to shop around for another make car that can be bought within the budget.

Stephen Goodman, manager Sanitation District 4 reported an $8900 bond had been filed for sanitation sewers in the William Segal tract off Virginia avenue assuring that all street repairs would be made. Council agreed to approve subdivision map of Duc acreage extending city limits west of San Tomas Aquina Road along the north side of Campbell avenue, when letter of the same assurance is received from the district.

Fire Chief Jack Scott was authorized to engage a qualified fireman for daytime relief during the vacation period.

County Budget Is Over 30 Million

The Board of Supervisors on Tuesday tentatively approved the 1955-56 County budget of $30,589,743. Of this figure, $11,140,747 is the amount estimated to be raised by property taxes.

The total county budget includes the sum of $218,623 for the county library. Of this amount an estimated $116,218 will be raised by property taxes in areas outside of incorporated cities which have their own libraries. This is the **only item** which is budgeted to be paid only by unincorporated areas. Remainder of the budget, $30,371,120 is made up of funds which affect the entire county.

The board of supervisors will hold hearings on the final budget starting at 10 a. m. July 15. Protests from individual taxpayers or organizations will be heard at that time. The final budget must be adopted July 25.

MUNICIPAL COURT FOR PALO ALTO

A second municipal judgehsip authorized by the State Legislature for Santa Clara County, is to be setup in the Palo Alto-Mountain View district. The Sunnyvale unit continues as a judicial district. Pay for judge of the new court is $15,000 per year and the appointment will be made by Governor Knight.

The Supervisors took under advisement a request from Judge Paul Crawford of the Los Gatos-Campbell-Saratoga judicial district that pay of all justice court judges be increased 15 to 20%. Salary now is $7100 per year.

More than 1000 high school students from 125 cities and towns throughout California attended the summer encampment of the California Cadet Corps at Fort Ord for the past two weeks among whom were 19 from Campbell High School.

The cadets into the East Garrison at Fort Ord and set up Regimental Headquarters with Cadet Lt.-Col. Turner Johnson of Campton as Commandant. A formal review before faculty officers, 6th Division Officers, closed the session.

Enrolled from Campbell were: Harold Robert Miller, Jr., Robert Newton Mattos, Timothy John Sullivan, Floyd Douglas Morrow, Gary Lee Overacker, Bill Douglas Dogherra, Alfonso Uubina,

Robert John Casey, Richard Levern Fraasch, Cleo Odra Fry, James Charles Henry, Robert L. Ochoa, Cliff Linn Sutton, Arthur E. Huff: from Camden High School:Ernest Ferreira, Albert Ira Hull, Joe William McLaughlin, Robert James Topham, Richard Earl Welsh, Jr.

NEED TOLD FOR HIGH SCHOOL TAX INCREASE

Dean Chamberlin, principal of the new Camden High School, Tuesday evening conducted members of the Cambrian Community Service Club on a tour of the partially completed school buildings as part of a campaign to reach as many people of the district as possible to spark the coming bond election on July 21.

Speaking at the Parker School where the club assembled after the tour, Chamberlin said the the Cambrian district is growing so swiftly the school must keep ahead of the first wave of "war babies" just now reaching high school age.

Because of the bond issue passed two years ago, the school district has been able to build Camden High. The new school has been built economically and at a cost lower than many. The school however cannot buy books and equipment with bond money.

Chamberlin pointed out, and emphasized, that the Campbell High School District has never before asked for a tax raise but that now it is necessary to ask for a 25c per $100 tax rate increase or curtail school activities.

"If the bonds do not pass," he said, "the school will continue to operate, but not so efficiently as it might. Books will be bought, but not the best or latest; and it might be necessary to use classroom units. Some athletic gear will be purchased, but there would not be enough for all; and bus transportation would have to be dractically cut since the highway patrol has condemned two 1934 buses now in use."

"Everyone knows that a good school in the vicinity increases property values," he continued, "but many may not vote to approve the increase, leaving it for the other fellow's vote to win the election. For this reason we are trying to contact as many people in the district as possible to acquaint them with the situation."

Patient Found By Police

A slender, blonde, Elsie Mintzer, 26 year old escapee from Agnew Hospital was picked up by Campbell police after she was found walking down Winchester Road Wednesday morning. She was held at the police station until the arrival of the sheriff's men who returned her to Agnew.

Tuesday night a nurse from Agnew Hospital notified police that she had seen the mental patient on the grounds of the Campbell Grammar School and touched off an intensive search in the area by both local and county police.

STAMP ASSOCIATION APPRECIATION DAYS START AGAIN TODAY

Campbell Stamp Association starts registration today for its popular Appreciation Days when hundreds of dollars in gifts are to be awarded on the evening of July 14.

A list of the awards to be made will be found on page six. The registration continues through July 14.

APPROVAL GIVEN FOR NEW SCHOOL ADDITIONS HERE

by Vivian Faulkner

C. E. Bradley, business administrator of the Campbell Elementary School District, said yesterday that the State Allocation Board had granted approval on bids for new additions to Cypress and Quito Schools and on an application for State aid which he and two school board trustees, L. E. Means and Don Hartman had presented at a meeting in Los Angeles last Thursday.

Bradley said contracts were signed upon their return with the Samuel Barth Company and the Alken Company for immediate construction of a five room wing for Cypress and a five room and kindergarten addition to Quito.

Work began Tuesday on both schools and Bradley says the schedule calls for their completion by Christmas.

The school board still has approximately 25,000 square feet of space which it can apply to another school and is now considering which school has the greatest need. This matter will be discussed at the regular board meeting on July 14, along with the possibility of acquiring a new school site.

The trustees will also recomment and submit a name for a new board member to the county superintendent of schools to serve out the balance of the term vacated by Mrs. Nancy Gorman who has moved out of the district. The new trustee will serve until the next regular election next May.

Last Friday when the new board was organized, L. E. Means was named president and John Dixon, clerk.

From July 16 to August 3rd the District Administration Offices will be closed and all personnel on vacation.

Rotarians Force Kiwanis In A Tie Pony League Game

Campbell Kiwanis dropped a 6-4 ball game to the Campbell Rotary Club yesterday and ended the first half of the Pony league schedule in a tie for the leadership with the Western Gravel. Ironically though, the Kiwanians were coached by a Rotarian and there was some talk of taking it up with Ford Frick, baseball high commissioner, however it was decided at press time to have a playoff Monday, Kiwanis vs Western Gravel, winner to meet an all-star team Tuesday and qualify to meet winner of second half play.

Yesterday Barry Hilton hurled a one hitter, fanning nine and issuing five walks. Kiwanis and Western Gravel each had 4 wins one loss, Rotary 3 wins 2 losses, Bishop Hawaiians 2 wins 3 losses, Campbell Lions and Campbell Lumber one win four losses each as first half ended.

Frank Miller Succumbs Here

Funeral services were held Wednesday at the Darling, Fischer and Krug Memorial Chapel for Frank Miller, 67, of 55 Gilman Avenue, who died at a San Jose hospital after a lengthy illness. Interment was in Santa Clara Cemetery.

Miller had resided in Campbell for the past two years and was a native of Vienna, Austria.

He is survived by his widow, Agnes; four children, Frank Miller of Los Gatos, Agnes Valance of Boston, Mass., Rozella Weyant, Sunnyvale, and William Miller of Long Beach; and by his mother, Mrs. Sarah Miller of Boston, Mass.

Macy Store Is To Start In Ten Days

Haas and Haynie, general contracting firm of San Francisco, was awarded the contract for the construction of Macy's store at the Valley-Fair shopping center, according to Edward F. Ryan, Valley-Fair president.

Work will be started July 18.

The first unit includes the two-level Macy building with a floor space of 150,000 square feet, a truck tunnel, a central utility and heating plant, and a portion of the total parking area which will provide space for 12,000 cars daily. Campletion of this phase of the center is scheduled for mid-summer next year.

Camden High Is Being Rushed For Fall Enrollment

by Vivian Faulkner

Construction of the new Camden High School is progressing at a fast clip and Dean Chamberlin, principal, said Tuesday night that all units will be finished in time for the September opening date, and will accommodate 700 students. Master plans call for additional wings in the future to take care of an 1800 enrollment. The faculty will consist of the principal, 27 teachers and two deans.

The handsome new school is situated on a 48 acre site on the corner of Union and Camden Avenues with the front approach leading off Union to a semi-circular red brick wall which surrounds a large parking lot next to the administration offices.

The rambling structure is being built in separated wings which are connected with covered walkways. It is modern in design but not modernistic. The Administration and Library buildings are connected with a glassed-in, covered corridor. On one side are the offices of Chamberlin, his secretary, two two deans, Phil Maxwell and Mrs. Ruth Owens, a faculty room and duplicating room, all done in mahogany paneling. The other side contains the textbook storage room, school library and audio visual room.

A unique feature of the buildings is that all roofs are supported by steel I beams with the walls hung from them like mammoth curtains. There are no weight bearing members, and the building is earthquake proof. The school was built at a cost of $11 a square foot which is remarkably low when compared with a $20 cost of many schools.

The cafetorium is a combination cafeteria and auditorium with a large stage at one end. 480 or 500 students can be fed at one time and facilities can be expanded to seat 1000 when used as an auditorium.

The school boasts the largest boys' gym on the peninsula and will seat 1200. This U shaped building houses athletic offices, activity room, showers and lockers for both girls and boys. Plans call for the girls' gym to be built at a later date.

Another unit is the Home Economic division which for the present will contain the wood shop, art room, sewing room, home arrangement; and cooking room with complete kitchen units for every four girls.

Quito Barbecue Well Attended

The second annual Fourth of July barbecue at the Herman Phillips home in Quito this year had an attendance of about forty people, including children. Most of the guests who attended this back yard affair were neighbors, who were delighted to be able to try again Mrs. Phillips delicious food, and play the many games and charades afterwards.

The families who attended were: in addition to Mr. and Mrs. Phillips and their two daughters, Martha and Alice: Richard Leeper, Paul Rumford, Pete Pederson, Bill Morgan, Guy Leeper, Herb Clark, his uncle Homer, and Delbert Clark, Harry Wild and Mrs. Wild's mother, Mrs. Moon, the Gilbert May's of Big Basin Way, the John Pierini's and Mr. Pierini's mother and father.

Hearing Set For New Subdivision Leigh, Arroyo Seco

There was a public hearing yesterday before the County Planning ommission on the application of John J. Kennelly for rezoning the southwest corner of Hamilton and Leigh avenues to permit multiple dwellings. Another hearing on application Pipeline Construction Company to rezone so as to put up a service station northwest corner White Oaks road and the San Jose-Los Gatos Road.

Perley Payne Jr. asked for lesser minimum lot sizes on southside Shady Lane easterly of Short Road.

New subdivision applications filed yesterday were Sierra Western Inc. for 34 lots at Leigh avenue and Arroyo Seco, Rafaelo and Taylor for 45 lots at San Jose-Los Gatos Road and Pamlar avenue.

City Attorney Talks On Legal Cover For City

City Attorney Joseph Bonacina in a talk Tuesday noon before the Campbell Kiwanis Club described how ordinances were deliberately planned and enacted to set the wheels in motion for a new city when Campbell was incorporated three and a half years ago. In the first twelve months the city enacted 27 different ordinances most of them original and not too close to a pattern ordinance of any other city. The council has cooperated with other taxing districts and proceeded cautiously so there has never yet been a serious legal problem. Interim laws were used until proper ordinances could be adopted.

The Council is the legislating body, the city attorney the judicial. He said annexations and subdivisions offer new problems and the council is often asked to act on an urgency case but seldom if ever has it done so.

Visitors present were Fran LaJoie, Connie Johnson and Chester Rogers of Willow Glen, Romaine Swedenberg of Los Gatos and Ed Husted of Oregon City.

Joseph Dahl was the program chairman.

Marine Recruiter To Be At Post Office Wednesdays

Sergeant Earle W. Rice, U. S. M. C., recruiter from the U. S. Marine Corps Recruiting station in San Jose, announces he will be available at the Post Office in Campbell at 9:15 a. m. each Wednesday for the purpose of accepting applications of interested men and women desiring to enlist in the U. S. Marine Corps.

Sergeant further announces that male applicants for enlistment in the Regular Marine Corps who are in all respects qualified, may apply for training in any one of 140 different Specialist Schools for training in a trade of their choice.

All applicants enlisting in the Marine Corps have a choice of a three (3) or four (4) year enlistment.

Ken Brown Will Have Male Lead Montalvo Opera

In addition to Ken Brown, Campbell High Spanish teacher, who plays the lead in "Smokey Mountain," many other area persons have prominent parts in the operetta which will be presented at Montalvo outdoor theater July 13, in the evening.

George Ballantyne, Lovell Ave. resident and recently retired trustee of the Moreland District, is Andy, the moonshiner. His daughter (in the play), is Miss Margaret O'Donnell, El Quito Park school teacher, who sings the Arabella role. Pat Armstrong, of Los Gatos, has a feminine lead.

In addition to the leads and production staff, there is a chorus, an orchestra, dance groups and the opera is under the direction of Lilian Fontaine with Thomas Stevens as musical director.

Quito Kiwanis Has Hawaiian Dinner Dance

The Hawaiian luau of last week, sponsored by Quito Kiwanis Club, was greatly enjoyed by 132 guests, many of whom were from Campbell and Willow Glen Kiwanis Clubs.

Food, decorations, dancing and music was all authentically Hawaiian, with most of the credit for this going to Mrs. Tillie Cowes. Mrs. Cowes, Quito School cook, was born in the Islands, and there her husband, Dr. John F. Cowes, practiced dentistry. Now retired, the couple enjoy the San Jose area where they have resided for 34 years.

House guests of the Cowes, Mr. and Mrs. James Boyd, had all of the leis and flowers flown from their lovely home in Hawaii. There were banks of Birds of Paradise and torch gingas on the stage. The flowers in the leis were orchids, plumerias and carnations, and were presented by Mrs. Cowes as gifts to the Quito ladies present.

The decorations were colored ti leaves and anthuriums, which were flown from the Hawaiian estate of Mrs. Adrian Brash, Mrs. Cowes' cousin. Varied colored leaves decorated the individual tables, and each had a miniature palm tree. Coco-nut hats for the men and pineapple juice were courtesy of Dole Pineapple Co.

The menu consisted of poi, lomilomi, salmon, kila meat. This latter is flanked steak marinated overnight in sauce. Dessert was hau pia, a fresh coconut pudding. American food was served, including a pineapple cocktail, with the fruit flown from the Islands, and with additional California fruit. Fried chicken, zuccini, roast potatoes, and hot rolls completed the menu. Later in the evening, coffee and fresh coconut cake were served.

Entertainment was provided by three girls from the studio of Mrs. Helen Martin, San Jose. The girls, who call themselves the Mele Keiki, did a variety of grass skirt dances. Mrs. Margaret Bushnell went from table to table, and accompanied by her ukelele, sang several numbers.

Swim Club Sets New PAA Records At Jr. Olympics

A four-boy team of the Campbell Swim Club set a new record and came within .2 of a second of breaking the national record for the 200 meter relay last Saturday at the Call-Bulletin Junior Olympics which was held last Saturday and Sunday at Fleischaker Pool in Golden Gate Park, San Francisco.

The record smashing quartette who took first place and set a time of 2:29.4 for the 200 meter medley relay in the Pacific Association are, Bill Duncan, back stroke; Mike Scroggins, breast stroke; Steve Skold, butterfly; and Dave Andre, free style.

In the 13 to 14 year old class, Mike Scroggins took 4th place in the 100 meter butterfly.

Steve Skold set a new P. A. A. record for the 100 meter free style and placed first with a time of 1:03.4. This is within one and one tenth of a second of the national record.

In the same race Dave Andre took 3rd place, and Bill Duncan took 4th place.

In the 50 meter free style, Bill Duncan placed 3rd, and Dave Andre placed 4th.,

On Sunday, Steve Skold came within .8 of a second of breaking the national record with a time of 2:24 for the 200 meter free style.

In the 100 meter breast stroke, Mike Scroggins placed 5th.

Next Sunday, July 10, the Swim Club will travel to Healdsburg for another meet and be accompanied by the Mitchell, Duncan, Skold and Scroggins families.

Coach Scroggins says there are still openings on the swim team and anybody living in the Campbell High School District is eligible. He would particularly like to have a group of youngsters 8 to 9 years of age to build up and train.

All young people joining the club will be taught all four strokes, free style, butterfly, breast and back, as well as racing starts and turns. Each member will have a training schedule to fit his age group.

Quito Quotes

CAROL ROULO, of Paseo Flores, a Notre Dame High student, is doing volunteer work at O'Connor Hospital this summer. Moreland grad, Jim, her brother, will attend Bellarmine, while Linda is at St. Lucy's in Campbell.

Eastern visitors at the Quito home of Guy Boltz were Mr. and Mrs. W. J. Helming of Des Moines, Iowa. Mrs. Helming is Mr. Boltz' sister, and there are three children in the family. The eldest, Barbara, is 15, and the twins, Pattie and Ronnie, are 9½. During their week's stay, the visitors explored, together with Mr. and Mrs. Boltz and little Leila, many interesting areas in Santa Cruz and the Bay Area. A boat trip on the Bay thrilled the visitors, particularly the San Francisco skyline and proximity to Alcatraz. They went to the Top of the Mark and heard Nat King Cole, dined at lovely restaurants, and attended Cinerama.

Handicapped persons employed at Goodwill Industries of Santa Clara County are trained in a great variety of jobs, including sewing machine operation, baling, sorting, pricing, electrical repair, maintenance; furniture, toy and metal repair.

SUMMERTIME RECREATION

Little League baseball is enjoying its most successful season in Campbell since its inception two years ago. Scores of small boys are hustling about having the times of their life in the great American sport. The Little League ball park at the Rosemary School is worth seeing with teams in action there, for it is a miniature of a big league park.

It is difficult to determine who benefits the most from these games—the boys on the diamonds or the parents and fans in the stands. It is a certainty that all are having a good time. Younger boys, too, are active in the Farm league here and older ones in the Pony League.

Down in Los Angeles the recreation department put a ban on Little League baseball because the Parent-Teacher Association there contends it has become too emotionally disturbing to the boys and that too much pressure has been put on them as a result of the commercial aspects of team sponsorship.

It is good to live in the more rural areas such as Campbell. We have playing fields for children and for parents and we have no fears that baseball is a menace to society. We have not yet seen a Little League game where there was not good sportsmanship displayed. As a matter of fact that seems to be the main objective.

Perhaps if children in the metropolitan areas were exposed to more fresh air and less child psychology, the juvenile court dockets would be less crowded.

STRENGTHENING OUR SCHOOLS

We hear a good deal these days about the pressing problems of our public schools: the need for better teacher salaries, more classrooms, closer parental cooperation, and many others. In the last analysis, probably no problem is more important than the need to insure effective local control of our schools by obtaining the services of our best qualified citizens to assume the policy-making functions delegated by the law to local board members.

Last week Governor Knight signed into law a measure which should help greatly in that respect. Called the "trustee interest bill," this law removes various technical restrictions against service on the school boards. Prior to its enactment a school trustee who, for example, owned a share of stock in a company which manufactured a particular material used by his school district in a construction program, could be held guilty of a misdemeanor.

The new law seeks to put an end to such interpretations, while protecting the public interest fully and explicitly against actual collusion between board members and school suppliers. Consequently, many fine citizens who could not conscientiously become candidates for their local school boards are now free to do so.

Of course there is that possibility of the law being abused. It is not going to be easy for other board members to vote down a purchase from a firm in which another board member has an interest, and if the various members have business interests there might be some vote trading in extreme cases. Theoretically it may be a good law. Time will be the test.

THE FULL STORY

Small details were extremely important to newspaper editors of half a century ago, the Wall Street Journal reports. After a little research, the Journal came up with these quotes—noting that economics were often mingled with social affairs. For instance this wedding: "Miss Jennie Jones and Bob Henry were married at the Jones mansion last night. The bride is the daughter of Constable Jones, who has made a good officer and will doubtless be reelected this spring. He offers a fine horse for sale in another column of this issue. The groom runs a grocery on Main St., and is a steady patron of our advertising columns. He has a good line of bargains in his ad this week. All summer he paid two cents more for butter than any other store in town. They were married by the Rev. Josiah Butterworth, who last week called at this office and gave a nice order for printing. He is also going in business, and will write fire insurance. So say the business cards we recently printed for him." Reads a good deal like some of the radio ads and/or news sounds today.

COUNCIL MEETINGS IN CAMPBELL

One of the very nice things about attending a City Council meeting in Campbell every other Monday evening is that each session opens with a prayer led by one of our local clergymen. Their simple pleas for divine guidance in all deliberations are original concise and inspiring. The affairs of your city, you may be sure, are in good hands when voluntarily motivated by this link with the churches of all denominations.

IF IT DOESN'T MOVE, MOVE IN

A contractor has this advice for home builders on selling a new house:

If it doesn't sell the first week, put a fence around it.

In the second week, landscape it.

In the third week, put in a barbecue pit.

If it isn't sold by the fourth week, move in yourself.

The Campbell Gambol

CIRCLE THEATRE at the Hotel Lyndon over Los Gatos way offers a unique form of entertainment during Summertime weekends in that the audience is seated around the stage and feels as if a part of the action in the play . . . one of these was put on at the Campbell High School with success a year ago but it is in the Eastern cities that this type of entertainment has been most popularly received, the parking problem in the larger cities, the TV competition and the determination not to use loud speakers on the legitimate stage seeming to encourage people to take in this more intimate program . . . there has been some thought about staging plays circle theatre style at the Fiesta building of the San Mateo County Fair instead of at the downtown legitimate theatres in San Francisco and Helen Hayes one of the first ladies of the stage may be on hand to open the show.

SIGHTEMS . . . sign on a highway bakeshop, "Cake, 66 cents. Upside down cake, 99 cents" . . . Ralph Noddin for many years coach at Campbell high school thumbs in vest armholes asking Kiwanis Club president Ethan Lanphear why the Kiwanis club team in the Farm League has to be coached by a Rotarian, meaning George Miskulin . . . air horn being installed at Campbell Fire House to call volunteer members, replacing siren with limited range and which is often confused with ambulance, civil defense and other signals, the new horn expected to be audible for a couple of miles and ready in about two weeks . . . the water tank tower at the former Hunt Cannery site west side of Harrison avenue which will be lowered soon so a tile manufacturing plant may be set up there, and the pump midfield at Latimer and Winchester that formerly served the Herman Rice ranch property and now being taken up so the new million dollar shopping center can be started there next week . . . the bumper to bumper line-up of cars on the 4th of July on Winchester Road and on the San Jose-Los Gatos Road as motorists began returning from holiday week end at Santa Cruz.

REPORT of treatment of news by old time editors as reported by the Wall Street Journal, in editorial column today reminds me of a description in a book on the History of Journalism which I bought at a second hand store in Carmel a few years ago in which one western newspaper published notices of births, marriages and deaths in headlines of "Hatched", "Matched", and "Dispatched" . . . inducements to subscribers being often unique, this particular paper stating: "All subscribers paying in advance will be entitled to a first-class obituary notice in case of death", one such obituary in same issue reading:

"JAKE MOFFATT GONE SKYWARD . . . As we feared on hearing that two doctors had been called in, the life of our esteemed fellow-ciitzen Jake Moffatt ebbed out on Wednesday. Jake was every inch a scholar and a gentleman, upright in all his dealings, unimpeachable in character, and ran the Front Street Saloon in a tony style consistent with order. Jake never fully recovered from the year he spent in the county jail at the time of the Ryan-Sternberg fracas. His health was shattered, and he leaves a sorrowing widow and nary an enemy".

Salinas Is Ready For Annual Rodeo

Salinas was getting ready today for the California Rodeo to be held there July 14-17. It is the oldest of western rodeos.

Since 1911 the California Rodeo has been famous as one of the world's greatest. 1955 is no exception. Virtually all the top cowboy contestants in the world will be on hand, trying for a slice of the richest purses in the world for a 4-performance event, as well as the coveted world's championship points.

The five basic rodeo events are well covered at Salinas. Bareback and saddle bronc riding, calf-ropin, steer wrestling, and brahma bull riding events will all see some of the nation's top title contenders competing. Another popular arena feature is the team-roping contest, where some of the world's most skillful ropers will be looking for the fastest time.

Cutting horse competition, a popular innovation last year, is being returned to the 1955 California Rodeo, along with exciting thoroughbred races. Also on tap is competition in stock horse, working cow horse, and medal and parade horse classes.

By special invitation, one of the most outstanding riding groups in the United States will perform at Salinas this year. The Onondarka Mounted Drill Team—a group of Los Angeles youngsters—wheel their horses through intricate maneuvers, including a 3 foot barrier jump, and all without the use of either saddles or bridles. The youthful riders range in age from 11 to 20.

Neighborhood Has Its Own 4th Of July Celebration

The George Machado home on Rosemary Lane was the locale for an old-fashioned Fourth of July neighborhood get-to-gether last Monday evening. All the children pooled their fireworks and put on a display for their watching parents with the fathers taking a hand to ignite some of the more tricky pieces.

After the show Mrs. Machado served a cake decorated as an American flag, ice cream, punch and coffee.

Families present to watch the fireworks display besides the Machados were Merediths, Rappes, Pinkstons, Faulkners, Jensons, Tobaccos, Ripleys, Browns and Engels.

Stanford Medical Head Is Speaker On Heart Subject

Lowell A. Rantz, professor of medicine at Stanford University, told members of the Santa Clara Heart Association at a dinner meeting Thursday night at Hawaiian Gardens that in a year when respiratory illness is widespread, deaths from cardiovascular causes increase because respiratory infections place an added burden on both the heart and the respiratory systems. A sharp drop in the number of influenza and pneumonia cases as compared with 1953 subsequently reduced the number of deaths from cardiovascular causes he said.

Dr. A. R. Curlin of Milpitas was elected president of the Association.

Board members re-elected include Mrs. J. Roger U. Campbell of Gilroy, Herbert K. Cummings, Stephen D'Arrigo, Dr. E. C. Lawrence, the Rev. Harold O'Day, Roger R. Williams, Dr. Fleming, Dr. S. Fred Kaufman and Fred J. Fletcher.

Newly elected to the board were the Rev. J. Wesley Farr, Dr. Joseph E. Giansiracusa, Dr. Stanford S. Kroopf, and Rear Adm. C. W. Styer, USN, ret. of Los Gatos.

SOUTHWEST AIRLINES RETAINS STOCKTON

A 2-year extension of the temporary certificate for service at Stockton was requested in Washington by T. R. Mitchell, vice president of the line who said 300 passenger boardings per month were made there in the first quarter. It is served from San Jose airport enroute to Sacramento

Southwest is continuing to seek an extension of service from Stockton to Reno. At present Stockton is on a loop linking it with San Francisco, San Jose, and Sacramento.

Southwest is reported to have asked for discontinuance of service to Fort Bragg and to Watsonville.

Mills Brothers To Be Heard At San Mateo Fiesta

With work already started on outdoor gardens for the coming San Mateo County Fair and Floral Fiesta, August 5 through 13, two model gardens of the 1954 Fiesta are featured in current national magazines.

In the July issue of House Beautiful, a garden pool with backdrop of corrugated plastics paneling is pictured. The exhibit, entered by the Orchard Nursery, Lafayette, was designed by landscape architect Ernest Wertheim. A model garden depicting use of woven reed panels for shade and windbreak appears in the July Sunset magazine. It was entered by Peters and Wilson Nursery, Millbrae, and designed by landscape architect Raymond W. Lamb.

News of entertainment headliners slated for the 1955 Fiesta is reported in the June 20 Billboard, nationally circulated newsweekly of the amusement industry. The Mills Brothers' quartet will be featured in the Fiesta Bowl August 5 through 8, with the Hoosier Hot Shots taking over the top role from August 10 through 13.

Plan New Hotel Near S.F. Airport

Trousdale Construction Company says it will start work soon on a 400-room hotel on private property near the San Francisco airport to cost an estimated two-and-a half million dollars. In the meantime San Francisco Utilities Commission said it will build a 200-room hotel on airport property.

Catholic Group Seeks Location Of New Clubhouse

A building corporation has been formed by the Bishop O'Dowd Council, Knights of Columbus, serving the Campbell, Los Gatos and Saratoga parishes, seeking a location for a club house with facilities for council meetings and other purposes. Anthony Scionti, James Kilkenny and H. A. Weitzel, council trustees, say the site should afford adequate offstreet parking, and possible picnic area. Proceeds from all events for the coming year are to be deposited in the building fund.

The northernmost point in the United States is the Lake of the Woods projection in Minnesota.

Zinfandel is the only true Californian wine; its name and wine type are found nowhere else in the world.

CIRCLE THEATRE NEW PLAY 'JANE' SPARKLES WITH WIT

"Jane" the opening play of the 1955 season by the Circle Theatre group in Hotel Lyndon at Los Gatos proved to be one of the most amusing and entertaining presentations we have yet seen by the Actor's Repertory Company. With the audience hovering around a living room setting and with the actors and actresses moving in and out from side doors brushing against you in doing so, one soon gets to feel a part of the play and almost want to come out with a line or so, except that the action is so fast there is no opportunity.

There are eight in the cast, each doing excellent character parts. Margaret Douglas Chamberlin gave an outstanding performance as Jane but so also did Lyland Mills playing the part of Lord Allen Frobisher, a blacksmith's son who invested wisely in newspapers until he became wealthy and had been given a title.

Patricia Beudry as the frustrated divorcee Millicent Tower and her ex-husband William Tower a successful novelist, played by Charles Barnes, did well in showing distraction over the arrival of Jane, her widowed former classmate who was outspoken about their ages. Jane arrived wearing Victorian period clothes, and in next scene blossomed out in smart, new attire to become the social rage of London.

The quick repartee with this foursome gives sparkle to the play and there develops a human element that stamps each character toward the climax. Other members of the cast are Gail Anderson as Ann Tower, Jerry Gilmer as Peter Crewe, Maxwell Jacobs as Wilson and Paul Beaudry as Gilbert Dabney.

If you have looked forward to seeing one of these Circle theatre plays, this is a good one and you will enjoy every minute of it. There is limited seating, so reservations should be made early.

The play based on a short story by Somerset Maugham, is said to vaguely reflect life experiences of Lord Beaverbrook and of Maugham himself.

Mass Scheduled For New Church In Cambrian Park

Fr. Robert Essig who was called from San Bruno to become pastor of the new St. Frances Cabrini Catholic parish in Cambrian Park is holding masses at 8 and 10 o'clock Sunday morning for his parish in the St. Lucy's school on Kennedy avenue. The new church is to be erected on the 9-acre site owned by the parish between Camden avenue and Woodard Road. Fr. Essig, a former U. S. Army chaplain, arrived Monday of this week to assume his new duties.

Forger Sentenced To County Jail

A Merced farmer and land leveler, Willie B. Morris, 45, was sentenced to six months in the county jail and three years on probation by Superior Judge William F. James for cashing forged checks totaling $196 in Campbell.

Morris was arrested by Campbell police on June 15 after he tried to cash a forged voucher at a local merchant's store.

San Jose Annex Gap In Cambrian

A 52-acre annex to fill in the gap between two of its strip annexations in the Cambrian Park area has been filed with the City of San Jose. The area is to be known as Cherryhurst No. 2 lying northeast of the Ross and Foxworthy avenue intersection. It embraces six parcels east of New Jersey avenue. Only land having the maximum allowable number of registered voters is included at this time, but when legally annexed the expansion may then be continued.

Squires Circle Formed Within K. C. Group

Paul Revel and Ed Lewandowski, co-chairmen of the Youth Activtiy Group have been named chief counselors of the new Squires Circle which has just been formed for the Bishop O'Dowd Council, Knights of Columbus here. Charter members are Kerry Levenberg, Bruce Rancadore, Mike and Ron Bowles, Pat Shea, Mike Moore, Richard Roll, Don Sorenson, Charles Renard, Thomas Vogel and Jerry North.

WEITZEL HEADS NEW K. of C. DISTRICT

H. A. Weitzel of 448 Hamilton avenue, secretary for Bishop O'Dowd Council has been appointed District Deputy of the new District 18 Knights of Columbus by State Deputy Frank Meyers. The district includes the San Jose, Mission Santa Clara and Bishop O'Dowd Councils, the latter serving the St. Lucy, Sacred Heart and St. Mary parishes of Campbell, Los Gatos and Saratoga.

Prune Growers Final Returns Out

The California Prune and Apricot Growers Association will distribute Tentative Final Returns on 1954 Crop Prunes, aggregating $3,750,000, to Grower-Members as of July 1, according to Director Jos. V. Gomes, representing the Campbell-Los Gatos Prune and Apricot Association.

The payment will be on 100 percent of each grower's delivery, the Association having taken care of the 12 percent set-aside under the Federal Marketing Agreement and Order program. The Association has also paid the producer assessment of $1.50 per ton for the Industry's advertising program under the California Prune Advisory Board.

It is anticipated that an additional Cash Return to growers will be made on 1954 Crop Prunes following the customary audit of the Prune Account at the close of the fiscal year.

Apricot Grower-Members will receive a distribution in Cash and Equity, as of July 1, totaling over $221,000. This will be accompanied by the Final Payment on 1954 Crop Apricot Pits.

ADVISORY COMMITTEE HAS LARGE PICNIC

About eighty people, including children, attended the Moreland District Advisory Committee's recent barbecue at Saratoga Springs according to Sal Millan, chairman.

Teachers, principals, parents and trustees all joined together in a gay time over the barbecue pits, in the swimming pool and on the dance floor. A volley ball game proved so successful that many of the men decided to make it a weekly event at El Quito Park School. Anyone interested in joining in such a project is invited to call Lester Prinz at FR 8-7974.

Miss Nancy Wheeler and Robert Fairchild of Santa Monica were house guests at the L. C. Fairchild home over the July 4th week end.

Mr. and Mrs. Roy Pinkston of Rosemary Lane, and their four sons, Billy, Mike and twins Timmy and Jimmy, are back home after having a wonderful two week vacation at the home of Mrs. Pinkston's mother, Mrs. Gladys Salsgiver in Hoodsport, washington. Hoodsport is located in the Washington Rain Forest where the fishing is fine, according to the Pinkstons. They said Dad and the two oldest sons, Billy, 15, and Mike, 11, caught the limit of 14 fish apiece on the first day out. On the way home they made a side trip to the Oregon Caves and saw some of nature's underground wonders.

Mr. and Mrs. Ed Husted of Eugene, Oregon, were visiting friends and relatives in Campbell this week, having flown in their own plane to the San Jose airport. Husted, a nephew of Ralph Hyde and former classmate of Oliver Jensen at the Saratoga Elementary School, made a solo flight to Peru about six years ago. Before moving to Oregon, the Husteds resided at San Carlos, where they founded and operated the Marine-Air Crafts Corporation.

Lorelei Delia, who lives with her parents on Quito Road— Mr. and Mrs. James Delia—announces her engagement to a Gilroy boy—Domingo Dedini, who is in the service. Miss Delia will complete her senior year at Campbell High before the marriage occurs. Her brother, Ray, will be a Frosh at Campbell in the Fall, and Melanie, the little sister, attends St. Lucy's.

Mrs. Louis DeRose Is Feted

Mrs. Louis DeRose was honoree at a stork shower given last Friday at the home of Mrs. Leslie Fairchild. All attending were members of St. Lucy's choir. Mrs. DeRose received many pretty and useful gifts from her friends and refreshments were served at the close of a pleasant evening.

Present were Mesdames Felice Robba and daughter Diane, Joseph Corvelho, John Perato, Richard Bowen, Ray Einberger, and the Misses Clarinda, Marge and Shirley DiLenardo.

Netops Planning Annual Picnic

Mrs. Thelma Nelson, Pocahontas, presided at a recent meeting when members of Netops Council No. 247, Degree of Pocahontas, celebrated its eighth birthday. Final plans were discussed for the annual picnic to be held at Uvas Dam, Sunday, July 10th.

Deputy Great Pocahontas of the Council, Mrs. David Cunha, was feted with a surprise "Bon Voyage" party and presented luggage which she will use on her trip to Chicago.

The officers for the ensuing term will be raised at the meeting tomorrow. The ceremonies are open and all members and friends are invited to attend.

Refreshments were served at the close of the session.

Issue 19 Walks In Farm League Game

Bill Alverez was the winning pitcher as the Bishop Hawaiians won their second straight game Friday in the Farm League. There was somewhat of a record set though as the game produced a total of 29 walks, 19 of which were issued to the Hawaiians. There were also four men hit by pitched balls or a total of 33 free tickets to first base. Joe Wegney led the attack for winners with a homer and a triple and a single while Rege Kamakele made three of the four hits by Kiwanis Realtors. Umpires were Steve Dunn and Ken Hill. Box score:

Appreciation Days

THIS IS ALL YOU HAVE TO DO TO WIN!

Just come down to any of the merchants' stores listed on this page, and sign your name and address to the registration slip, drop it into the box and THAT IS ALL! You may sign in at as many or all the stores you desire, every day during this event. THE MORE TIMES YOU PUT YOUR NAME IN THE BOXES, THE BETTER CHANCE YOU HAVE OF WINNING.

1 Each merchant will give ONE coupon per day day to each adult entering his store. (NO purchase necessary). No additional coupons will be given with purchases. There is no obligation. (Children under 10 years of age not eligible.) Children 10-16 may not sign tickets unless accompanied by an adult (exception: If a purchaser.)

2 The customer must deposit the coupon in the box of the store where he received it —not in the store of his choice.

3 Prizes may not be exchanged for cash.

4 If merchandise orders are given as prizes, same are redeemable ONLY before July 30, 1955.

5 Merchants and their immediate families are not eligible to win in any store.

6 Employees of merchants and their immediate families are not eligible to win in the store of their employment, but may win in other stores.

7 Any unclaimed store prizes will be held (10) days.

8 Drawings will be held in each participating store, during the evening of July 14, 1955, by a committee of disinterested persons chosen by The Campbell Press, and winners' names will immediately be posted in the window of the individual store with the prize, and listed in the July 21 issue of The Campbell Press.

SAFETY COUNCIL ELECTION TODAY

Election of 1955-56 directors and officers will highlight the sixth annual membership meeting of Santa Clara County Safety Council today.

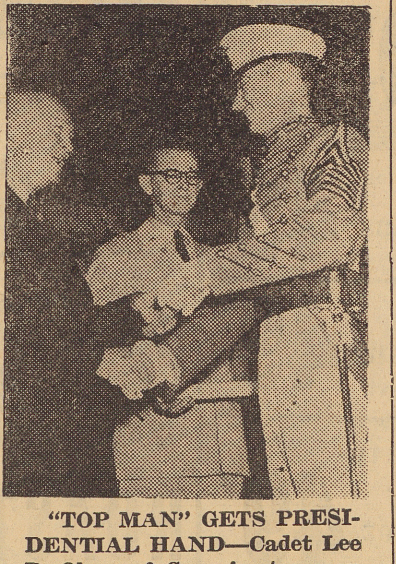
The meeting will be a noon luncheon at San Jose Country Club, Walter L. Jensen, president of the Safety Council, will be chairman and will review Safety Council activities during the past year and on projects for the coming year.

Guests will meet William S. Pfeifle, general chairman of the 1955 Green Cross drive, annual Safety Council campaign which is now in progress. Funds will be used to expand the accident pre-

SAN JOSE BANK STILL GROWING

The First National Bank of San Jose shows in its Statement of Condition as of June 30, 1955, a growth of $9 million as compared to a year ago. During the past 12 months the First National Bank has opened four new offices in Palo Alto, Mountain View, Santa Clara and Los Altos. The Los Altos Office is the most recent office to be established, which was opened on June 28th. Since June of last year the Los Gatos office has moved into their new building at 308 North Santa Cruz Avenue. This building is a modern design with spacious banking quarters and a community service room on the second floor. Each of the Bank's neighborhood offices provides ample parking space, drive-up tellers windows, free night depository and complete banking services.

In discussing the growth of the Bank with Joseph Rogers, President, he pointed out that it was the policy of the Bank to provide complete modern banking facilities for all residents of Santa Clara County and that the tremendous support and acceptance given the Bank have prompted the expansion of its facilities throughout the County. The first National Bank of San Jose, established in 1874, is now the largest independent home-owned bank in California, north of Los Angele, excluding San Francisco. (



"TOP MAN" GETS PRESIDENTIAL HAND—Cadet Lee D. Olvey of Georgia, top man in the 1955 graduating class at the U. S. Military Academy in West Point, N. Y., receives his diploma from President Eisenhower as Col. Frederick M. Hinshaw, Deputy Chief of Staff, watches.

Pvt. Gerall F. Mills, 17, son of Mr. and Mrs. Dwight Mills, 615 Crockett, Campbell, recently completed two weeks of active duty while undergoing Reserve Army infantry training at Fort Ord.

The special training was designed to teach combat techniques which could not be given in local Reserve centers..

Private Mills has returned to Campbell.

Ray K. Kuykendall, seaman, USN, son of Mrs. J. W. Pierce of 50 A. Foote ave., Campbell, is helping to prepare the escort aircraft carrier USS Rendova for retirement June 30 to the "Mothball Fleet".

PFC Charles D. Knowles, son of Warren J. Knowles, 140 W. Rincon ave., Campbell, who is a member of 1st Infantry Division in Germany. Knowles, who attended San Jose State College, is a radio operator in the 1st Medical Battalion's Headquarters Company of the division. He entered the Army in November 1953, completed basic training at Fort Ord, and arrived in Europe in November 1954.

PAT MEANS, daughter of Mr. and Mrs. L. E. Means of Campbell, is assisting at playground supervision this summer at El Quito Park School. Eugene Mercuri, Moreland teacher is also on hand five days a week, from ten to 3:30 at this lively playground, where games, crafts, and movies are featured daily. Pat's high scholastic and student government record at Campbell High won her a scholarship, and she plans on attending State in the Fall, with the ultimate aim of becoming a teacher.

MRS. LEE SCHLOBOHM of Quito Road gave a baby shower in honor of Mrs. George Slagel of Campbell those present being Mrs. Arthur Hill, Mrs. Slagel's mother, Mrs. Beryl Whittaker, Mrs. Ruth Chambers and Ann Chambers of Los Gatos, Mrs. Eileen Spalding of San Jose, and Mrs. B. Mears.

ANDY BALLANTYNE is recovering at his home on Lovell Ave. from some severe burns he accidentally inflicted upon himself. As his sister, Betsey, says, he was cooking bacon—practicing up on some Boy Scout lore he's learned under his father, Scout leader George Ballantyne. Only Andy had too much grease in the pan, and it spilled on him, inflicting third degree burns in some areas. He is expected to be up and about in a few days. George III, his older brother, is spending the entire summer as counselor-in-training at the High Sierra Boy Scouts' Camp.

MORTON HARVEY, that interesting and talented photographer, thought that only Davy Crockett had today's fame, until recently. In a restaurant, Mr. Harvey had his camera on a counter, and a young boy appeared to examine the equipment. Mr. Harvey told him he could look the camera over, and upon the boy discovering a plaque reading: "This Camera made expressly for Morton Harvey" , he exclaimed: "Are you Morton Harvey? Gee". So there we have it—the unpredictable directions a youth's hero worship fancy might take him.

I WAS GLAD TO SEE in another paper, that Nestor Barrett, a guest columnist, devoted considerable space to cats. I used to have a guilty feeling whenever I mentioned the doings of our feline, but now she is dead, I find I am flooded with dog items. I suppose the dogs were always there, but I couldn't see them for the flying cat fur. So—come the doggy items—First there are newcomers to the Campbell area—MR. and MRS. WILLIAM E. GRACE, he is known to his friends as Ed. They moved to 447 Harriett Ave. from Cupertino, and their specialty is raising poodles, and grooming all breeds of dogs. ED shares with DICK FOSTER, another Campbell resident, the same type and place of employment—both are Moffett Field Firemen. Dick is also known as Smokey, member of Campbell Police.

BUTCH, STEVIE, and TODY WALTON had a combined birthday party in their Quito home last week—with about a dozen neighborhood little ones to help dispose of the glamorous looking cakes Mrs. Walton always turns out. BOB WALTON, the missing dog, is a Laborador Retreiver—not a Doberman as I indicated last week. In the meantime, the Waltons now possess a darling little spider monkey, which consoles the children somewhat for Bob's disappearance.

A THREE MONTH OLD Weimaraner was found at 2nd and San Fernando by John E. Grigg of Willow Glen, last Friday. That evening I received a call from Mrs. H. Weldon Wilkinson, asking me if I knew anything about the owner. How did I enter the picture? I wondered myself, and found it was because last week I mentioned that breed of dog in this column, although I had never heard of a Weimeraner until then. I saw my first one the other day at DeBar's Nursery, and can now affirm the dog is silver gray with startling, light blue eyes. His owner told me that he selected this breed because of its super intelligence, and its ability to retrieve as well as point—to say nothing of its lack of doggy bouquet, wet or dry. The Griggs called the animal shelter about the lost puppy, and the loser called the shelter—but the inquiries were never related. Finally, the Griggs found under the license a phone number, and contacted the worried guardian, who was raising the dog for the San Rafael Guide Dog organization, only haveing received the pup two weeks ago. The Griggs would have been happy to keep the animal, having had the same breed of dog the year before and lost it. If I keep coming across weimeraners, I might end up being a specialist—which is the way such dedicated people are made.

THERE AREN'T ANY WILD ANIMALS at Saratoga Springs, host Stub Stollery tells me. With its woodland setting and seclusion, I expected to hear about deer, wild cats, and racoons. I asked about overturned garbage cans at night, and succeeded in getting another dog story. A pack of hounds come down from neighborhood ranches every night and raid the picnic leavings. Stub told me of an odd occurrence. The music box was going along merrily, then sudden silence. Investigation found that a mother had disconnected the contraption to plug in a bottle warmer, quoting: "A baby is far more important than 'Crazy Otto' ". The R. L. SHAFFER'S of Paseo Cerro were enjoying an afternoon of swimming and picnicing that day, along with several scores of people.

CHARLES HUNTER NEW PRESIDENT LIONS CLUB IN SARATOGA

Charles Hunter was installed president of Saratoga Lions Club on Monday at Saratoga Federated Church. Dr. Kenneth Carmak went in as First vice-president, L. B. Peck as second vice-president, Ray Williams as third vice-president, Wendell Hammon as secretary-treasurer, Otto Kraule as lion-tamer and Dr. Warren Sturla as tail-twister.

S. F. IS '56 JAYSEE SITE

San Francisco will be the site of the 1956 California Junior Chamber of Commerce convention.

The meeting is expected to draw to the city about 1500 members and their wives from all parts of the State. It will be held May 3-6 with headquarters at the Whitcomb Hotel and business sessions in the Civic Auditorium.

QUITO QUOTES

Lester Prinz and family spent the holidays at Fresno, visiting the grandparents. The Prinz children are Pat, Nancy and Stephen. Mr. Prinz, who lives on Paseo Presado, is an estimater for Everett Miller Heating and Plumbing.

Those busy people, the I Alessi's of Paseo Cerro, just returned from a week in Portland, visiting Mrs. Alessi's parents, the Jack Tomlins and all her other sisters, brothers, and cousins who live in that somewhat drippy city. In three weeks, this family will try out camping at Bass Lake—that is, the "city camping variety, complete with rented trailer."

The Mr. and Mrs. R. L. Schaffer, who bought the Quito Home of former Campbell Press owner, Eugene Barnes, had a few days visit with relatives in Southern Cal. Mr. Schaeffer's father, Terry Dick, lives in Covina, where a huge family picnic with about forty in attendance, was held in honor of the visitors. Mrs. Schaeffer, who spent half her life in that area, reports that while Covina is considered smog-less by its inhabitants, she noticed the sun was not in evidence during their entire stay, although it was quite warm. Mr. Schaeffer is with Hewitt-Packard Co. in Palo Alto.

Private Stanley Lanagan of Modera Base enjoyed the weekend at the Lester Breeding's Quito Home. The family met this boy at Fresno during the recent roller skating meet, at which event 10 year old Darleen came off with second place honors.

Les Landin, Saratoga teacher and cartoonist of note, is teaching Black Board Techniques at San Jose State Summer Session.

Mr. and Mrs. Carl Hopkins, and daughters Brenda and Margot, are spending a week with relatives at Red Bluff. In August this family will visit in the middle west for two weeks. Mrs. Hopkins is teacher at El Quito Park School, which Brenda attended last year.

Bank of America resources now total more than
$9,240,000,000
World's Most Popular Bank

When we got through adding up the figures for our mid-year statement of condition, our total resources once more indicated that B of A is the world's most popular bank. Of even greater interest is the fact that more than 3,000,000 Californians now have savings accounts in Bank of America.

✓ SAFETY
✓ CONVENIENCE
✓ AVAILABILITY

These are the three big reasons why so many Californians save at Bank of America. *Safety*—our bank's great resources afford the ultimate in safety. *Availability*—there's no substitute for "money in the bank" where you can always get it when you want it. *Convenience*—almost anywhere in California, there's a branch of our bank nearby, always ready to serve you.
